Dear Friends,

I'm excited to invite you to join us for another year of **GolfMS** that combines our love of golf with an opportunity to make a meaningful impact. On **April 26, 2026**, we'll be once again hosting a golf tournament at Heron Ridge Golf Club to benefit the **National MS Society**, an organization dedicated to helping individuals affected by **multiple sclerosis (MS)**. So far, GolfMS has raised more than \$900,000 towards research to improve the lives of those afflicted with MS.

MS is a chronic disease that impacts the central nervous system, disrupting communication between the brain and the rest of the body. Its symptoms vary widely, from fatigue and muscle weakness to vision problems and cognitive challenges. While MS can be unpredictable and life-altering, there is hope.

Every dollar raised during this tournament goes toward funding cutting-edge research, advancing treatment options, and providing essential support and resources for those living with MS. Together, we're moving closer to the ultimate goal—a world free of MS.

So, grab your clubs, rally your friends, and come out for a day of golf, fun, and giving back to a cause that truly makes a difference. Let's tee off for a cure!

Mark your calendars for April 26 2025 and secure your spot in the tournament today! For more information or to register, contact me, **Glen Pierce**, at **757-478-8825**.

Thank you for your support. Together, we're making strides to end MS!

Sincerely,  
**Glen Pierce**,  
MS Survivor!
