Dear Participant:

The time has come to start planning and clearing your schedule for the Heron Ridge Invitational golf tournament. This years event will be held over the weekend of April 17th & 18th and will be our 22nd year!

The level of competition is STRONG and we believe, has one of the most competitive Championship Flights in a Hampton Roads golf tournament. However, regardless of handicap, age or gender the numerous flight options creates a very competitive environment for great players at many levels!

Make plans to join us once again for this great weekend of golf and thank you again for your past support.

We look forward to seeing you in the spring!

Best,
 Kyle Kelly, PGA Professional
